**This Is My Time**

You told me I was stupid  
You told me I'd always be worthless  
And I believed you

You told me I'd never amount to anything  
And I was crazy for wanting to sing  
And I believed you

Don't underestimate me – I'm gonna be somebody  
Look out! It's my turn to shine  
Say what you want about me – there ain't no way you'll break me down  
Look at me now...  
This Is My Time

I listened to everything you said  
But then I realized  
It was all just a bunch of lies

Don't underestimate me – I'm gonna be somebody  
Look out! It's my turn to shine  
Say what you want about me – there ain't no way you'll break me down  
Look at me now...  
This Is My Time

I'm done with all your games  
I'm through with feeling so ashamed  
I'm tired of taking all the blame  
For all of your mistakes

You told me I was stupid  
You told me I'd always be worthless  
I don't believed you

You underestimate me – I'm gonna be somebody  
It's my turn to shine - It's my turn to shine  
Don't underestimate me – I'm gonna be somebody  
Look out! It's my turn to shine  
Say what you want about me – there ain't no way you'll stop me now  
You won't bring me down...  
This Is My Time
